Ummm...hi? Remember me?

Um hi so Pluto wants me to tell you that her leaving wasn't your fault at all. In any way shape or form.

I know this Nacho, but I don't want your twin to leave. She's awesome! I also love the O.C. she has, they are wayyyyyyy cool. And I can't start my RP without Plutonic out of the story, it means I have to work extra hard to remover her and seal the gap for her character.

Please don't let her leave Nacho. But if she does, tell her I said that she is loved and God loves her.
